EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Louis DelJuidice on March 8, 2004.

The application has been amended as follows:

Claim 8. (Twice amended) A method for detecting the presence of a detectable material in a sample comprising:

contacting said sample with the apparatus of claim 3;

reacting the sample with said particles and with said marking elements $\{ \}$ such that said detectable material binds with both said marking elements and said particles when said detectable material is present in said sample to form a reaction product;

passing said sample, including any reaction product present, through said catching section; and

analyzing the presence of said marking elements at said catching section, whereby the presence of said marking elements corresponds with the presence of said detectable material.

3. The following is an examiner's statement of reasons for allowance: the instant claims defines over the prior art of record, specifically the Cole reference (US 5,141,850), because Cole fails to teach a device having a catching section made from a material having pore size smaller than a

size of a reaction product comprising antibody-conjugated-particles/ analyte/labeled-antibody, wherein chromatographic movement of said marking elements not bound in said reaction product is permitted through the catching section, and chromatographic movement of the reaction product is restricted because of its size.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bao-Thuy L. Nguyen whose telephone number is (571) 272-0824. The examiner can normally be reached on Tuesday and Thursday from 9:00 a.m. - 4:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Long V. Le can be reached on (571) 272-0823. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
